

Boo-boo Anishinaabebeg,

I am Anishinaavekwe-Daphne Churchill currently living in the Sand Lake Community for most of my life. I've accepted the nomination to run for Tribal Council 2023-2025. I know I can be an effective Tribal Member should be. I plan to respectfully give our Tribal members and Youth an opportunity to voice their opinions and be heard to make a difference and make changes for our future generations.

We, as a tribe, have many battles we face today with:

- Mental Health
- Housing
- Education
- Drug overdose
- Losing our culture & Language
- Enrollment
- Constitution

Together we can win these battles we're facing.

Over the years, as a Tribal Council Employee, I've gained knowledge and I'm willing to share my knowledge to give back to our tribe. I've spent a large amount of my own time helping others and departments within our tribe with: community events, I set on Head Start Policy Committee twice, I am currently serving on our Pow-wow Committee for the last three years, also involved in our tribal ceremonies since I was young child.

I'll always be proud to be a Tribal Member from The St. Croix Chippewa Indians of Wisconsin.

Miigwech,

Daphne Churchill
